

Port Credit Boat Show 2010

Port Credit Boat Show Celebrates 20 years!
August 27-29, 2010
New/Used
Power & Sail Boats
Land Displays
Speaker's Tent

Join us August 27-29, 2010 for the 20th anniversary of the Port Credit In-Water Boat Show. The only show of its kind on Lake Ontario, the Port Credit Boat Show is THE fall boat show to attend. Board over 100 new and used power and sailboats; check out the land displays of marine accessories and services; participate in our Speaker's Tent featuring local professional boaters, and pick up a few bargains at the marine industry's only "consignment tent for boat stuff" in support of local junior sailing programs. "We are pleased to be celebrating 20 years at the Port Credit Harbour Marina. Last year's show sold out and we had more inventory of both power and sailboats than ever" stated Lori Mason, show manager. This year's show promises another great year of boat sales and activities, as well as a few special events. Three days of information and serious boat buying for the whole family.

The Port Credit In-Water Boat Show - A Discover Boating Event!
